On Tuesday, 14th of September 2021 from 13.30 to 15.30 CET /14:30-16:30 EET, **KMOP** - Social Action and Innovation Centre invites you to the online event "**Educational tools for teachers and educators on how to foster social integration of refugees and migrants**", organised within the European Erasmus+ project **HOPEFUL - Extending Teachers Competences in the effective teaching of literacy, numeracy and digital skills to refugee children**.

This final conference will mark the end of the project. The event will give us the opportunity to present the work done during the 2 years project's lifetime, as well as to raise awareness about successful integration practices in education and to ensure HOPEFUL's results that are exploited at the European level.

Target group:

- ✚ Teachers and educational support staff
- ✚ School leaders
- ✚ Policy makers
- ✚ Wider school community
- ✚ 3rd sector organisation & businesses working on relevant fields and other stakeholders

During the event it will be discussed topics such as:

- ✚ Empowering teachers through activities and tools for managing diversity in the classroom
- ✚ **Intercultural Consciousness**
- ✚ Enhancing the inclusion of students of all ethnic, religious and social backgrounds through the creation of a safe space

[Register to the event here:](#)

***Pre-registration is required. The event is open to the public and will be hosted in English.
Certificates of attendance will be provided.***

A few words about the project

HOPEFUL addresses current challenges & needs of enhancing teachers' competences in the teaching of numeracy, literacy and digital skills to refugee and migrant students in order to promote their successful integration in education and improve their school performance, by developing, testing & disseminating different educational tools, using participatory methods collaborative process, that involve 4 partner organisations and 100 educators at local, national & EU level.
