A few words about the project

CHOICE is a European initiative – sequel to [Hombat.eu](#) – which aims at promoting more inclusive school environments and combating intolerance on the grounds of gender identity, gender expression, sexual orientation and/or sex characteristics in Greece, Bulgaria, Lithuania and Romania.

CHOICE is also based on the online platform [LiveWithoutBullying](#) that offers support from trained experts and peers to children and teenagers who are victims of bullying, as well as to parents and educators.
