

# DIGITAL ENTREPRENEURSHIP FOR YOUTH

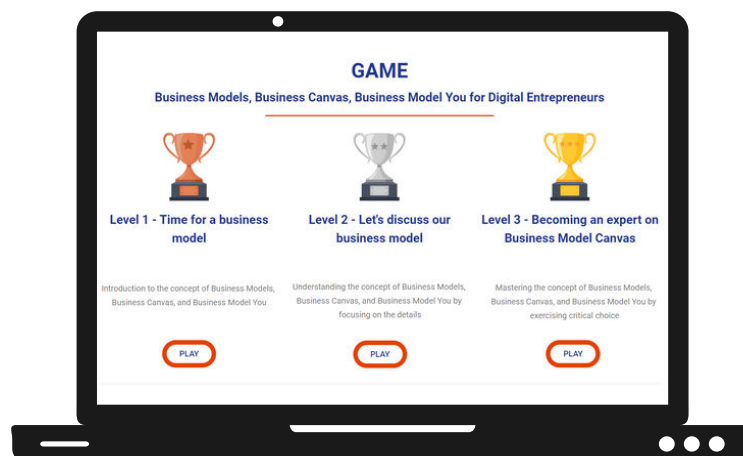

3rd Newsletter

## New updates from the **GameON** world!

We are thrilled to announce that our **Simulation Game for Digital Entrepreneurship** is finally **available!**

You will find 4 interactive scenarios with three different levels of complexity each, on **Business Models, Business Canvas, Business Model You for Digital Entrepreneurs; Digital Marketing; Entrepreneurial Mindset; Innovation and Entrepreneurship Core**. During the game, you will receive **feedback** that will help you learn in an easy and fun way.

Click on **PLAY** to start your journey into **digital entrepreneurship!**

**But we have more exciting news!**

In June, all partners met in Valencia to also finalise the **second result** of the project:

the **Digital Entrepreneurship Guidelines**

In these Guidelines, you will find **concepts** and **definitions** related to digital entrepreneurship, many **useful tools** and **resources**, **case studies** and **best practices** you need to know to become a digital entrepreneur.

You will discover the **main characteristics** of Digital Entrepreneurship and the entrepreneurial mindset, the various types of Digital Business Models and Digital Business Canvas, lots of practical tools and **much more!**

**Stay tuned for future updates on the GameON project!**
