3. Transnational Project Meeting (TPM)

Our second TPM took place in May, featuring both in-person and online sessions. Partners exchanged insights on the challenges faced in data collection, particularly quantitative data across participating countries.

4. Upcoming International Workshop

We are organizing an Online International Workshop, titled **“How Can Higher Education Become More Gender Equal?”** on **Tuesday the 5th of November, 13.00-15.00 CET**. The workshop will provide a platform to discuss how we can foster a gender-equal academic world, present the handbook on Implementing Gender Equality Plans, and share best practices with broader academic and policy-making communities.
