

Our Commitment

Creative Care is devoted to
incorporating art
into healthcare settings to
enhance the lives of older adults.

We invite you to join us
in promoting a more creative and
inclusive environment for all.

Join Us

in fostering creativity and
improving the lives of older
adults through the power of art!

Intergenerational Art Programs for the Care Sector

creative care...

is dedicated to **boosting creativity** among older adults through the inte-gration of vocational education and training (VET) resources.

We provide VET providers with the **tools and resources necessary** to create en-riching learning opportunities for those in the care sector, emphasising the signi-ficance of participatory art programs for older adults.

Key Outcomes

Good Practice Guide & Recommendations:

A comprehensive guide for VET providers, outlining best practices.

Creative Care Training Resources:

Specialised resources focusing on intergenerational and participatory art practices.

Creative Care Online Toolbox:

An online platform offering training materials and e-learning units.

Information Material and Sustainability Guide:

Detailed information materials and a guide for sustaining and replicating successful practices.
