

Organizers' Packing List

Organizers often need extra items depending on the nature of the restoration work. This list can be adapted based on the location, group size, and available facilities.

General

- name tag materials
- printed camp schedule or program
- organizational banners or promotional materials
- evening activity supplies (e.g. games, cards)
- extension cords
- printed safety plan (to display at camp)
- printed participant list
- scissors or knife
- hand sanitizer
- trash bags
- extra sunscreen
- spare batteries for headlamps

For restoration work

- first aid kit (one per working group)
- loanable rubber boots
- tarpaulins and rope (for rain cover or restoration use)
- work gloves for all participants
- appropriate restoration tools (in sufficient quantity)

Kitchen

- printed allergy lists
- additional kitchen equipment (e.g. large pots, thermoses for coffee/tea)
- spare cardboard plates and cutlery (in case participants forget their own)
